The United States Postal Service hereby gives notice of an informal, off-the-record technical conference regarding the network modeling testimony of witness Emily Rosenberg (USPS-T-3) and the following Library References associated with her direct testimony:

USPS-LR-N2012-1/13 through USPS-LR-N2012-1/18;

USPS-LR-N2012-1/34 through USPS-LR-N2012-1/37; USPS-LR-N2012-1/43  
and USPS-LR-N2012-1/NP2 through USPS-LR-N2012-1/NP4.

Witness Rosenberg and other postal personnel will participate on behalf of the Postal Service to provide analysts working on behalf of Docket No. N2012-1 intervenors and the Commission's technical staff insight regarding how the network rationalization modeling described in USPS-T-3 was executed. The technical conference will begin at 1pm on Friday, January 20, 2012. It will take place in Room 11226 at United States Postal Service headquarters, 475 L'Enfant Plaza SW, Washington, DC. Via email no later than Wednesday January 18 to undersigned counsel, Docket No. N2012-1 intervenors must provide advance notice of the names of the individuals who plan to attend on their behalf.

The Postal Service is scheduling three hours of time for the January 20 conference. To make the best use of everyone's time that afternoon, parties are

encouraged to informally communicate to undersigned counsel as soon, as often and as specifically as possible regarding portions of USPS-T-3 and the Library References listed above on which they would like the conference to focus. If necessary, a follow-up session can be scheduled to occur between January 23-25.

Parties are reminded that Room 11226 is on the 11th floor at the south (river) end of the postal headquarters building, adjacent to the Ben Franklin Room. The 11th floor is ordinarily accessed via stairs from the 10th floor. In transmitting the names of attendees, please specify which individuals will require direct elevator access to the 11th floor, so that an appropriate accommodation can be arranged.

Respectfully submitted,
